ANNUAL MEETING

 **NOVEMBER 13 – 15, 2026**

 **ATLANTA, GEORGIA**

ADVANCING EXCELLENCE. IMPROVING OUTCOMES. BUILDING COMMUNITY.

PRESIDENT WELCOME

On behalf of the Executive Committee of the **Society of Black Colon and Rectal Surgeons (SBCRS)**, it is our pleasure to welcome you to our **2nd Annual Meeting**, taking place **November 13–15, 2026**, in **Atlanta, Georgia**.

This year's theme, **"Partnerships, Purpose, and Progress,"** reflects the spirit of our growing community and the important work we are accomplishing together. Throughout the weekend, we hope you will find meaningful opportunities to exchange ideas, strengthen professional relationships, engage in thoughtful discussion, and build connections that extend well beyond the meeting.

Our program brings together surgeons, residents, medical students, and partners from across the country for scientific exchange, professional development, mentorship, and collaboration. Most importantly, this meeting provides an opportunity to celebrate our shared commitment to advancing excellence in colorectal surgery and addressing disparities in the communities we serve. We encourage you to take full advantage of everything the weekend has to offer.

We would like to extend a special thank you to all our partners from financial institutions, healthcare systems, industry and private practices alike. Your investment into our vision has allowed us to begin fulfilling just the mission we set out to achieve.

Thank you for being part of the SBCRS community and for joining us in Atlanta. Your participation, energy, and engagement are what make this meeting meaningful, and we are excited for the conversations, connections, and progress that will come from our time together.

We look forward to an outstanding weekend of **Partnerships, Purpose, and Progress**.

Sincerely,

Erin King-Mullins, MD, FACS, FASCRS
President, Society of Black Colon & Rectal Surgeons
